Sir:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. §1.97(c)(1), i.e., after the mailing of a first Office Action on the merits, but before the mailing date of a final Action or Notice of Allowance.

Attached are copies of one Chinese Patent Publication and one Japanese Patent Publication cited by a Chinese Office Action dated March 17, 2006, which was issued in connection with a foreign counterpart application. Any relevance of the Chinese and Japanese publications can be gleaned from their respective English-language abstracts. The publications are listed on the attached Form PTO-1449.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Since this Information Disclosure Statement is being filed with certification and before the mailing date of a final action or Notice of Allowance, no fee is required, and the requirements of 37 C.F.R. §§1.97 and 1.98 are deemed to be fully met as to all documents listed. Consideration of the listed documents respectfully is requested.

Should any fee be required, however, the Commissioner is hereby authorized to charge such fee to our Deposit Account No. 18-0002 and notify us accordingly.

Respectfully submitted,
